## TOWN HALL CLOSED

Town Hall Office will be closed on Monday, February 18th in observance of Presidents' Day.

## YARD WASTE

Spring is right around the corner and it will soon be time to clean up your yards again. Our trash carrier, Allied Waste, will be selling yard waste containers once again. We are not sure of what the cost will be, but previously they were \$75. We will know more once we contact Allied with an order. If you are interested in purchasing a container please contact Town Hall with your name, address, and phone number. The containers will be like the 95 gallon brown containers that you see around town.

Also, we have received a complaint from Allied regarding Yard Waste. If you are to place limbs or branches out for pick up you **MUST** be sure that they are no longer than 4 feet in length and no more than 4 inches in diameter. All branches and limbs must be cut and tied together in bundles unless they fit inside the bin. If you fail to adhere to these regulations, Allied will not pick them up.

## SNOW REMOVAL

With the recent snow fall we would like to remind you that you **MUST** remove the snow and ice from your sidewalks and walkways within 48 hours from the snow ceasing to fall. If you fail to remove the snow, you could be fined by the Town of Wyoming. Also, if the postal workers feel that they could injure themselves, they could refuse to deliver mail to your residence until the ice and snow have been cleared.

## FROM THE DESK OF MAYOR RIFE

**February**, The month of the ground-hog. Will he see his shadow or not? Well by now we know he did not see his shadow, and Saturday it snowed, what a beginning. I cannot wait for spring.

**Kelly Crumpley passed away last month.** Kelly was a member of the Wyoming Planning and Zoning committee for many years. Kelly was on the committee during the creation of the new Land Use and Development Code and also assisted with

### FROM THE DESK OF CHIEF WILLEY

Happy Valentine's Day to all. It has been a very quiet month for the Police Department. The Wyoming Police Department has received 2 new laptops for the cars and 2 desktop computers for the office. None of these items were any cost to the town.

Just as a reminder, we have received a couple of complaints about people parking in the no parking area by the Post Office on N. Caesar Rodney Avenue. We have also received complaints about cars parking on the side of the street and blocking driveways on Downey Oak Circle in The Greens at Wyoming. The Police Officers have been advised to address these issues accordingly. I am sure that these are occurring due to people visiting Wyoming and not the residents. I just want to keep the residents of Wyoming updated on the situation.

The deadline for the Police Officer position has closed and we are in the process of sorting through the applications. The goal is to hire an officer that will be a good fit for our department and meets the needs of the Town of Wyoming.
